31st March 2026

Delegation of Powers to Group CEO ("GCEO")

As authorised by the Board of Directors vide Resolution No.12 dated 05th March 2026, Mr S K Abdulla, Managing Director delegates to Mr Abhishek Poduri, Group CEO, the authority to lead business improvement, revenue growth and cost optimisation initiatives. The GCEO shall exercise this authority in accordance with the Company's approved Annual Budget, Board resolutions and applicable law. This Delegation of Powers takes effect from 31st March 2026 and shall be reviewed half-yearly or as directed by the Board.

PROCUREMENT AND CAPITAL EXPENDITURE

i) **Operational Procurement:**

The GCEO shall have authority to approve purchase orders for medicines, laboratory equipment, chemicals, hospital supplies, consumables, equipment spares and all operational inputs. Individual purchase orders up to Rs.25,00,000/- (Twenty Five Lakhs) per order may be approved by the GCEO.

ii) **Civil Works and Maintenance Contracts:**

The GCEO shall have authority to award contracts for civil works, renovation, repairs and maintenance of buildings, equipment, furniture and vehicles. Contract value up to Rs. 50,00,000/- (Fifty Lakhs) may be awarded by the GCEO. All contracts shall be awarded through a competitive quotation process and/or with the approval of concerned committee(s), wherever necessary, with a minimum of three bids wherever practicable.

iii) **Capital Equipment Leasing and Alternate Acquisition Models:**

The GCEO shall examine leasing, pay-per-use and revenue-share arrangements for medical equipment where such arrangements reduce upfront capital expenditure and improve return on capital employed and recommend to the Managing Director (MD) for approval.

iv) **Hospital Information and Digital Systems:**

The GCEO shall have authority to approve procurement, implementation and maintenance of Hospital Information Management Systems (HIMS), Electronic Medical Records (EMR), Laboratory Information Systems (LIS), Picture Archiving and Communication Systems (PACS) and other operational technology platforms of up to Rs 50,00,000/- (Fifty Lakhs).

HUMAN RESOURCES AND TALENT

i) **Staff Engagement and Separation:**

The GCEO shall have authority to engage, remove, suspend, or dismiss medical, paramedical, administrative and support staff other than Key Managerial Personnel (KMPs) and to fix their remuneration within bands approved by the Board from time to time.

ii) **Clinical Consultants and Engagement Models:**

The GCEO shall have authority to appoint medical and other clinical consultants and to structure and revise their commercial engagement terms, including professional fee arrangements, revenue-share models, minimum guarantee structures, sessional retainers, pay-per-procedure models and performance-linked incentives, within financial limits approved by the Board. Individual consultant fees shall not exceed Rs. 10,00,000/- (Ten Lakhs) per month.

iii) External Consultants and Advisors:

The GCEO shall have authority to engage external expert consultants for time-bound engagements, with fees up to Rs. 25,00,000/- (Twenty Five Lakhs) per engagement.

iv) **Salary Restructuring:**

The GCEO shall have authority to structure/restructure salary and perquisites of all employees.

v) **Organisational Structure:**

The GCEO shall have authority to create, redesignate, restructure non-KMP positions and reporting lines within the organisation as required to improve operational efficiency or support business objectives.

vi) **Increments and Performance Incentives:**

The GCEO shall have authority to approve annual increments for non-KMP staff ensuring that the payroll budget does not exceed beyond 5% of Board approved outlay and to approve and administer performance-linked incentive schemes for non-KMP staff within the total annual outlay approved by the Board.

REVENUE GROWTH AND BUSINESS DEVELOPMENT

i) **Pricing Authority:**

The GCEO shall have authority to revise hospital tariff structures, procedure pricing, room tariffs, diagnostic pricing and package pricing for all services other than those governed by statutory price controls. Pricing revisions may be implemented within a band of +30% and -15% of the prevailing Board-approved tariff.

ii) **Payor Empanelment:**

The GCEO shall have authority to negotiate, execute and manage empanelment agreements with insurance companies, Third Party Administrators (TPAs), CGHS, ECHS, Ayushman Bharat (PM-JAY), Karunya Arogya Suraksha Padhathi (KASP) and other Government and private healthcare financing schemes, with package rates up to Board-prescribed limits.

iii) **Referral and Outreach Agreements:**

The GCEO shall have authority to enter into referral agreements, outreach clinic arrangements and hub-and-spoke service delivery agreements with clinics, diagnostic centres, nursing homes and primary care providers, for a term not exceeding two years

iv) **Patient Facilitation and Channel Agencies:**

The GCEO shall have authority to engage patient facilitation agencies, international patient programme operators, medical tourism facilitators and health-check aggregators on commission or retainer terms, with annual payouts up to Rs. 50,00,000/- (Fifty Lakhs) per agency.

v) **Corporate Health Programmes:**

The GCEO shall have authority to negotiate and execute corporate health agreements, executive health packages and group screening programmes with employers and corporate entities and to approve pricing for such programmes, provided pricing is not below the corporate rate floor approved by the Board.

vi) **Marketing and Digital Agencies:**

The GCEO shall have authority to engage marketing, digital and branding agencies for patient acquisition, brand-building and outreach campaigns, at a cost not exceeding Rs 10,00,000/- (Ten Lakhs) per month to any agency

vii) **Strategic Clinical Partnerships:**

The GCEO shall have authority to enter into collaborations with academic institutions, specialty clinical groups, telemedicine platforms and international hospitals for clinical programmes, training, research, or technology adoption, provided no equity commitment is involved and all associated capital expenditure remains within the GCEO's applicable delegated limits.

viii) **New Service Lines, Outreach and Digital Health Initiatives:**

The GCEO shall have authority to establish, expand, or discontinue clinical service lines, centres of excellence, specialty units, outpatient clinics, day-care centres, satellite facilities, health camps, home care programmes and telemedicine services in the ordinary course of business development, with associated expenditure within the GCEO's applicable delegated financial limits. Discontinuation of service lines shall be subject to regulatory and accreditation requirements.

ix) **Patient Bill Discounts:**

The GCEO shall have authority to approve discounts on patient bills up to 10% per bill.

COST MANAGEMENT AND VENDOR GOVERNANCE

i) **Vendor Renegotiation and Termination:**

The GCEO shall have authority to renegotiate, restructure, or terminate existing vendor and supplier contracts in the interest of cost reduction.

ii) **Vendor Rate Revision and Rebates:**

The GCEO shall have authority to renegotiate pricing, rebates, volume-linked incentives and commercial terms with pharmaceutical suppliers, medical device companies, diagnostic vendors and outsourced service providers.

iii) **Outsourced Services:**

The GCEO shall have authority to approve, modify, or terminate service agreements with outsourced providers of housekeeping, security, laundry, catering, biomedical equipment maintenance, linen management and facility management and to insource or outsource any such service as operationally warranted.

iv) **Formulary and Vendor Panel Management:**

The GCEO shall have authority to approve changes to the pharmacy formulary, consumables procurement list and preferred vendor panels in order to achieve cost savings, subject to clinical and quality standards approved by the Medical Committee.

v) **Departmental Rationalisation:**

The GCEO shall have authority to consolidate, restructure, or discontinue clinical or non-clinical departments that are persistently loss-making or underutilised, subject to applicable regulatory, statutory and accreditation requirements.

vi) **Efficiency and Asset Optimisation:**

The GCEO shall have authority to direct and approve initiatives for energy efficiency, inventory rationalisation, biomedical waste management and asset utilisation improvement and to engage specialist agencies for such purposes within the applicable delegated financial limits.

FINANCIAL AND TREASURY OPERATIONS

i) **NDAs, MOUs and Preliminary Agreements:**

The GCEO shall have authority to execute non-disclosure agreements, confidentiality agreements and Memoranda of Understanding with prospective partners, vendors and institutions in the ordinary course of business development, provided such instruments do not create financial obligations beyond the GCEO's applicable delegated limits and do not bind the Company to any acquisition, joint venture, or material strategic transaction.

LAKESHORE HOSPITAL & RESEARCH CENTRE LTD. * KOCHI-682 040, INDIA *

ii) **Sub-Delegation of Financial Powers:**

The GCEO shall have authority to sub-delegate financial powers to departmental heads and unit-level managers through a written sub-delegation framework, provided no sub-delegation shall exceed the GCEO's own delegated authority.
