The floor plan of the 1st floor of the Cancer Research Building is divided into several main sections:

- SERVICE**: Located at the top center, above the IP PHARMACY.
- IP PHARMACY**: A large central area, below the SERVICE area.
- BLOOD BANK**: Located on the left side, below the SERVICE area.
- CAR-T**: Located on the left side, below the BLOOD BANK.
- ONCOHELEX**: A large area on the right side, below the SERVICE area.
- GENERAL LAB**: A large area at the bottom center, below the IP PHARMACY.
- MICRO**: Located on the right side, below the ONCOHELEX.
- HISTO**: Located on the left side, below the CAR-T.

The plan also includes detailed room layouts with dimensions and furniture. For example, the SERVICE area at the top center has a room with a desk and chair, and another with a desk and chair. The IP PHARMACY area has a large open space. The BLOOD BANK area has a large open space. The CAR-T area has a large open space. The ONCOHELEX area has a large open space. The GENERAL LAB area has a large open space. The MICRO area has a large open space. The HISTO area has a large open space. The plan also includes a central corridor and several restrooms.
